(iv) Of Payments: The Company informs the User, and they accept it, that the payment of the amounts indicated in this Contract must be made through the national currency in Mexico, without prejudice that, where appropriate, the Company may receive payments in a different currency, which will be informed by the Company to the User, from time to time, through the Website or any other means designated by the Company.

The payments referred to in this instrument must be made by the User in a single payment, with the exception of the cases expressly indicated in this Contract, as well as in the event that the contracted Membership contemplates the method of payments in partialities.

Any type of Membership may be acquired by the User through payment by credit or debit card (hereinafter jointly referred to as the "Banked User") or through cash payment.

(iv.i) Banked User - Payment by Credit Card: Any type of Membership may be acquired by the User by paying by credit card, which must be backed by a Banking Institution and valid for purchases through the Internet, the User must cover the amounts thereof, as well as those established in the Current Rate Table, which will be charged by the Company at the time they arise, under the terms established in this document.

In this act, the User authorizes the Company to make the applicable charges for the concepts established in the Current Fee Table, as well as those established in this instrument.

(iv.ii) Banked User - Payment with Debit Card: Any type of Membership may be acquired by the User by paying through a debit card (Visa or MasterCard) (hereinafter referred to as "Payment with Card of Debit"), which must be backed by a Banking Institution and valid for purchases through the Internet, and the User must cover the amounts thereof, as well as those established in the Current Fee Table, which will be charged by the Company at the time they arise, under the terms established in this document.

In this act, the User authorizes the Company to make the applicable charges for the concepts established in the Current Fee Table, as well as those established in this instrument.

Notwithstanding the foregoing, in the event that the User makes the Payment with a Debit Card under the terms established in this subsection, the Company may request the User to make the payment in cash of the Guarantee Deposit and grant the Guarantee of the Guarantees (according to said terms are defined below). The foregoing, in order to guarantee compliance with its obligations in terms of this document.

For the purposes of the Guarantee Deposit, the User who makes the Payment with a Debit Card must follow the following procedure: The User must go in person to any User Service Center (CAPU), in order to deliver the documents that for this purpose they are informed, or in its case that they are established in the Terms and Conditions, in the understanding that once the foregoing has been complied with, the Company may generate: (a) a payment order for the Guarantee Deposit; and/or (b) any other that may be applicable (hereinafter jointly referred to as the "Debit Card Payment Orders"). Payment Orders for Debit Cards will be sent to the User to the email indicated in this instrument or in the Request Form and will be valid for 3 (three) days; The User must go to the self-service stores that the Company designates for this purpose (hereinafter referred to as the "Prepaid Stores") in order to make the payment of the Payment Orders for Debit Cards, in the understanding that If the User does not make the payment of the Payment Orders for Debit Cards on the date indicated above, they must carry out the actions indicated in this paragraph again in order to obtain new Payment Orders for Debit Cards. The following business day in which the User pays the Payment Orders for Debit Cards, they must go to any of the User Service Centers (CAPU) so that the Company validates the corresponding payments and , where appropriate, grants

you your Membership, with the understanding that in said case, the User will receive an email to the address indicated above where your User Number will be sent.

The User accepts and acknowledges that it must cover any independent commission unrelated to this Contract established by the Prepaid Stores.

(iv.iii) Unbanked User Person: In the event that the User Person does not claim to be banked through means of payment recognizable in the Mexican financial system, that is, if the User Person does not have a credit and/or debit cards backed by a Banking Institution to make the payments that in terms of this instrument (for the purposes of this instrument referred to as the "Unbanked User Person") must be made, the Unbanked User Person must make the payment of your Membership, as well as the other amounts applicable in terms of the Current Fee Table, the Guarantee Deposit, as well as in case the Company is required to carry out the Guarantee of the Guarantees, to guarantee the fulfillment of its assumed obligations in terms of this instrument, through cash payments, for which the following procedure must be followed:

The Unbanked User must go in person to any User Service Center (CAPU), in order to deliver the documents that are reported to them for this purpose, or, where appropriate, that are established in the Terms and Conditions, in the understanding that once the foregoing has been complied with, the Company will proceed to register the Unbanked User in the system and will generate payment orders: (a) one for the payment of the Membership; (b) another for the Security Deposit; and/or (c) any other that may be applicable (hereinafter jointly referred to as the "Payment Orders for Cash Payments"). Payment Orders for Cash Payments will be sent to the Unbanked User to the email indicated in this instrument or in the Request Form and will be valid for 3 (three) days; the Unbanked User must go to the Prepaid Stores in order to pay the Payment Orders for Cash Payments, with the understanding that if the Unbanked User does not pay the Payment Orders for Payments in Effective on the date indicated above, it must perform the actions indicated in this paragraph again in order to obtain new Payment Orders for Cash Payments. On the next business day that the Unbanked User pays the Payment Orders for Cash Payments, they must go to any of the User Service Centers (CAPU) for the Company to validate the payments. and, if applicable, grant your Membership, with the understanding that in said case, the Unbanked User will receive an email to the address indicated above where his User number will be sent.

The Unbanked User accepts and acknowledges that it must cover any independent commission unrelated to this Contract established by the Prepaid Stores.

THIRD. OF THE USE OF BICYCLES. The User will have access to all the Bicycles available at the Cycle Stations, however, the User will only be able to use one Bicycle at a time. The Company will be obliged to grant the use of the Bicycles in optimal conditions of use with respect to their own nature, obliging the User to return it in the same state in which it was received, the above, under the terms established in this Contract.

During the time that the User has legal possession of the Bicycle, the latter will be obliged to use it solely and exclusively for the transportation of the User, in the understanding that its use may not generate any profit, and It must be carried out under the responsibility of the User, that is, in compliance with the applicable legal provisions, the terms indicated in this

document, as well as in the Terms and Conditions published on the Website and/or in the Ecobici App and that derive from this instrument (for purposes of this Contract referred to as the "Terms and Conditions").

The User accepts and acknowledges that at the time of unanchoring the Bicycle from the Cycle Station, it receives it to their full satisfaction, the User being obliged to cover in favor of the Company, at market prices, the missing or missing Bicycle accessories, damages and/or parts of the Bicycle that it contains and/or does not contain, as applicable, at the time the User returns to anchor the Bicycle in any Cycle Station. The User Person accepts that the inspection that the Company carries out on the Bicycle for previous purposes, may be carried out at the time the User Person delivers the Bicycle, or later, in which case, it will not exempt the User Person from responsibility for the use that it may have made of the Bicycle during the time of legal possession of the Bicycle by the User.

For the purposes of clarity of what is established in this instrument, once the Bicycle is unanchored from the Anchorage Port located in the Cycle Station, the User will have 2 (two) minutes to validate the status of the Bicycle, its accessories, from the Port of Anchorage and/or Cycle Stations, and where appropriate, start the trip, or return the Bicycle in the event of presenting a problem and/or report a problem to the accessories of the Bicycle, the Anchorage Port and/or of the Cycle Stations. The foregoing, in the understanding that in the event that the User begins to use the Bicycle and/or does not return it and/or does not make the report indicated above, within the period described in this paragraph, it will be understood that he received the Bicycle, its accessories, that the Anchorage Port and the Cycle Stations in/are in perfect condition, without any damage, therefore any damage present and/or visible to the Bicycle, its accessories, the Anchorage Port and/ or to the Cycle Stations or any deterioration greater than the natural wear and tear of their use in terms of this instrument by the User, will be their responsibility under the terms established in this Contract.

The Parties agree that the User will not be liable to the Company for hidden defects contained in the Bicycles at the time of use by the User, in the understanding that for the above purposes, hidden defects shall be understood to mean those defects that are not obvious to the Parties and they are not aware of them.

Regardless of the type of Membership, the User will be obliged to correctly anchor the Bicycle at the end of their trip in the Anchorage Ports located in the Cycle Stations. The foregoing may be done within a period of no more than 45 (forty-five) continuous minutes of use and/or the period determined by the contracted Membership, as appropriate.

Notwithstanding the foregoing, the User may continue to use the Bicycle for a period of time additional to that established above, with the understanding that each additional minute that elapses, after the period referred to herein, will be subject to the application and payment of surcharges in terms of the Current Fee Table. Notwithstanding the aforementioned, in the event that the User exceeds the time of use of the Bicycle indicated above, and/or it is not returned within said period in the manner established in this document, the User will be obliged to cover in favor of the Company the corresponding compensation in the terms indicated in this instrument, proportionally to the non-compliance, to the type of Membership

contracted and in accordance with the provisions of the opinion issued by the Third Party Designated by the Company, the foregoing, without prejudice to the obligation to pay the applicable rates indicated in the Table of Current Rates and/or the additional charges applicable in terms of this Contract.

The User accepts and acknowledges that the Company will not be responsible for the objects forgotten by the User on the Bicycle, its accessories, in the Anchorage Ports, Cycle Stations, User Service Centers (CAPU), or in the equipment that integrates the Polygon determined for the Cycle Stations.

FOURTH. OF BREACHES, SUSPENSION AND CANCELLATION OF SERVICES.

I. Non-compliance by the User: The Parties agree that false statements and/or guarantees by the User, as well as the non-compliance with the obligations assumed in terms of this instrument, will be grounds for temporary suspensions and/or cancellation of the Services in accordance with what is indicated in this instrument, without the need for a judicial declaration, without this implying any responsibility for the Company, nor reason for total or partial reimbursement for the User with respect to the amounts that this may have paid and/or granted according to the contracted Membership, the Current Fee Table and/or what is established in this document.

a. Regarding temporary suspensions: The Parties agree that the Company will be empowered to suspend the provision of the Services object of this instrument to the User, in the cases established in this instrument, including without limitation: (i) not being able to perform automatic charge(s) for additional use of Bicycle time, according to the Current Fee Table, of the current Membership, current fees and/or others established in this Contract; (ii) not having updated personal and emergency contact information, including without limitation, identification, proof of address, insurance beneficiary, telephone and email.

Once the User rectifies the cause(s) of suspension referred to in the previous paragraph, the Company will be obliged to reactivate the provision of the Services object of this instrument within a period no more than 3 (three) business days after the date on which the notification of correction is received by the User and the Company confirms that said non-compliance(s) was effectively corrected.(Editado)Recuperar original

b. Cancellation: Without prejudice to those established in this instrument, the User accepts and acknowledges that the provision of the Services object of this instrument will be cause for cancellation, and therefore, for the termination of this Contract, when in two or more occasions, any of the following cases arise:

(i) Total or partial damage to the Bicycles, their accessories, Anchoring Ports or Cycle Stations, ruling out the natural wear and tear of their use;

(ii) Place any decal or carry out any act that modifies the physical appearance of the Bicycles, their accessories, Anchoring Ports or the Cycle Stations;

(iii) Exceed the 8 (eight) hours of continuous use of the Bicycles on four occasions;

(iv) When the Company tries to make any collection that is due in terms of this Contract, including without limitation, the automatic renewal of the Membership, and the charge does not proceed for any reason;

(v) False statements and/or breach of any of the obligations established in this Contract by the User;

(vi) In the event that any of the following behaviors are carried out by the User: (a) loan of the MI Card (as said term is defined below); (b) incorrect use of the Bicycles, their accessories, the Anchorage Port, the Cycle Stations and/or the MI Card; (c) Bicycle without guard; (d) non-observance of the duty of care regarding the Bicycle, its accessories, the Anchorage Port or Cycle Stations, in the understanding that for the purposes of what is indicated in this instrument, the duty of care must be that duty of diligence required of the User Person in compliance with the obligations assumed in terms of this instrument, even in risk situations.

Without prejudice to the fact that the Company may suspend and/or cancel the Services that are the object of this instrument in terms of the aforementioned, without the possibility of reimbursement, the User will be responsible for the damages caused by said breaches, including without limitation, in the In the event that there is a presumption of loss of the Bicycle, which will be presumed whenever the Bicycle is not correctly anchored to the Anchorage Port located in the corresponding Cycle Station under the terms established in this document and/or in the Terms and Conditions, within a period of 24 (twenty-four) hours counted from the beginning of its use by the User, the foregoing, without prejudice to the latter being obliged to cover the commercial value of the Bicycle, this , without prejudice to the obligations to pay the rates published in the Current Rate Table, on the Website and/or in the Ecobici App.

II. Breaches by the Company: The User will be empowered to terminate this Agreement for reasons attributable to the Company, in the event that it has made false statements in terms of this instrument, that fails to comply with the obligations established at its charge in terms of the same, as well as in those cases indicated in the applicable legislation, in which case and without prejudice to the Bonus (as said term is defined below) to which the User will be entitled in terms of this Contract, the The Company will be responsible both for the sanctions that may be imposed in administrative matters, as well as for the damages caused to the User and that they are dictated by the competent authority.

FIFTH. OF THE CLARIFICATIONS. The Parties agree that the User may make any clarification regarding their registration account from the Website, the Ecobici App, by telephone, via email to the authorized account, in person at the User Service Centers (CAPU), or through any other means that for this purpose is informed through the Website.

In the event that it is verified that the charge generated was not the responsibility of the User, the Company will take the necessary steps to start the refund process in accordance with the provisions of Clause Seven (Refund Procedure) of this Contract.

In the event that the Company fails to comply with its obligation described in the previous paragraph, it will be liable to the User in terms of the applicable legislation and this Contract, the foregoing, without prejudice to the fact that the User will be entitled to the Bonus referred to in this instrument.

SIXTH. DEPOSIT IN GUARANTEE AND GUARANTEES. On the one hand, in order to guarantee compliance with the obligations indicated in this instrument by the User, the Company may request those Users to make the payments due in terms of this instrument through Credit Card Payment. Debit, as well as to Unbanked Users, at the time of making the Membership payment, and without prejudice to any other amount and/or requirement that you have to pay and/or cover in terms of this document and/or the Terms and Conditions, leave as a guarantee deposit, the amount of \$8,000.00 (Eight thousand Pesos 00/100) (for purposes of this Contract referred to as the "Guarantee Deposit").

At the end of the validity of this instrument, provided that the User Person has fully complied with the obligations assumed in terms of this instrument and the User Person has canceled their Membership under the provisions of this Contract, the Company will be obliged to return the Guarantee Deposit to the User in terms of what is indicated in the Seventh Clause (Refund Procedure) of this Contract, in the understanding that the User must cover the commission amounts generated by the payment in cash, which may be covered through the Guarantee Deposit.

On the other hand, and without prejudice to the aforementioned, in order to guarantee compliance with the obligations that the User Person assumes in terms of this document, the Company may request the User Person to have made the payments through Card Payment of Debit, as well as Unbanked Users, that 2 (two) people (for the purposes of this document referred to jointly as the "Guarantees") sign the document that the Company will deliver for this purpose, in which the the commitment that the Guarantees assume to comply with the obligations that in terms of this document the User Person acquires (for the purposes of this document referred to as the "Guarantee of the Guarantees").

The Parties agree that the Guarantee of the Guarantees will only be applicable in the event that the User Person referred to in the previous paragraph does not fully comply with its obligations in terms of this instrument, that the Guarantee Deposit is not sufficient to correct said breaches or that does not fully cover the obligations assumed by the User and provided that the Payment Obligation in 3 Days (as said term is defined below) has not been complied with.

SEVENTH. OF THE REIMBURSEMENT PROCEDURE. The Parties agree that in the event that in terms of this instrument, the Company is obliged to make any reimbursement to the User, the provisions of this Clause will apply.

For the purposes of the aforementioned, in order for the Company to carry out the reimbursement to which reference has been made, the User accepts and acknowledges that the Membership must not be in force and must not present any debt for any concept.

Once the aforementioned has been complied with, the User must notify the Company of the refund request, which must be carried out through the User Service area, with the understanding that the Company will initiate the process for the refund. of the corresponding amounts, which may be delayed up to a period of 30 (thirty) business days from the date the Company receives the aforementioned notification. Once the Company verifies compliance by the User with their obligations in terms of this instrument, as well as what is indicated in this Clause, the Company will return the corresponding amounts to the User, which will be done through of an electronic transfer and/or deposit to the credit or debit card linked to the Membership, through an electronic transfer to an account in the name of the User or through the issuance of a check in the name of the User, which will be notified to the latter by the Company at the email indicated in this instrument and/or in the Application Form.

EIGHTH. OF THE DAMAGES. Without prejudice to what is stated in this Contract and/or any other amount that the User must cover in favor of the Company in terms of what is established in this instrument and/or in the Current Fee Table, in the event that the Bicycle has not been returned in the terms indicated in this document and/or in the event of any breach by the User of their obligations indicated in this instrument and/or in the event of falsehood in the declarations and/or guarantees made by part of the User, without prejudice to the amounts that the User must cover under the terms of this instrument, the Company may designate a third party in order to assess said facts and the additional amounts that the User must cover in terms of this instrument (for purposes of this Contract referred to as the "Third Party Designated by the Company").

For the purposes of the aforementioned, the Company may notify the User, either immediately or in a subsequent verification of said facts, of the opinion that the Third Party Designated by the Company has made for that purpose. The User will have a period of 10 (ten) calendar days from the sending of the aforementioned notification by the Company, to designate a third party specialist in the facts indicated in said notification (for the purposes of this instrument referred to as the "Third Party Designated by the User"), in order to argue what is convenient for them (hereinafter referred to as the "Extrajudicial Procedure").

In the event that the period indicated in the previous paragraph has elapsed, the Company does not receive the corresponding opinion issued by the Third Party Designated by the User, or this is not carried out in accordance with what is indicated in this Clause, it will be presumed that the User agrees with the opinion made by the Third Party Designated by the Company; in which case, the amounts indicated in the opinion made by the Third Party Designated by the Company, must be covered by the User, either through the collection made by the Company through the Charge to the Bank Account (according to said term defined below) and/or or through the execution of a Guarantee Deposit.

In the event that there is a discrepancy between the opinion issued by the Third Party Designated by the Company and the opinion issued by the Third Party Designated by the User, the Company will be authorized to execute the collection of said amounts through the Charge to the Bank Account or through the execution of the Security Deposit.

Notwithstanding the foregoing, the User will be empowered to initiate any action provided for in this instrument, as well as those administrative and/or jurisdictional ones that suit their right, in the understanding that once there is a firm resolution that endorses the opinion issued by the Third Party Designated by the User and acquits the User for the payment of

said amounts, the Company will be obliged to reimburse them in terms of the Seventh Clause (Refund Procedure) of this Contract.

For the purposes of the aforementioned: (a) the Banked User authorizes said motorcycles to be charged to the bank card linked to their Membership (for the purposes of this Agreement referred to as the "Charge to the Bank Account"); (b) The Unbanked User Person and the Banked User Person who has made payments through Debit Card Payment whose amounts cannot be charged to the bank card linked to their Membership in terms of subparagraph (a) above, authorize that said amounts are collected through the execution of the Security Deposit; (c) In relation to subparagraph (b) above, in the event that the Guarantee Deposit is not sufficient, as well as those Banked Users for whom the Charge to the Banked Account cannot be made, the User will be obliged to make the payment of the remaining amount within 3 (three) business days following its request by the Company (for the purposes of this Contract referred to as the "Payment Obligation in 3 Days"), which may lead to carried out through the Guarantees; the foregoing, unless another mechanism is established in terms of this instrument.

The Company will make the Charge to the Bank Account or the execution of the Guarantee Deposit for the collection of the amounts established in the Current Fee Table and/or to cover the amounts referred to in this Clause. The aforementioned will be applicable, without prejudice to the possible responsibility that, in its case, could be attributed to the User. The responsibility referred to above may be attributable to the User, for the time that he had physical or legal possession of the Bicycle and the terms of this Contract have not been complied with, damage has been caused to the same, to its accessories, to the Anchorage Ports and/or to the Cycle Stations, or that said damages come from a deterioration greater than the natural wear and tear of the same due to their use, or for any cause directly and/or indirectly attributable to the User, as well as in the case of acts of vandalism that are committed during the physical or legal possession of the Bicycle that the User has on it, its accessories, the Anchorage Ports and/or the Cycle Stations.

The appraisal of the loss, damage, as well as deterioration greater than the natural wear and tear of the use suffered by the Bicycles, their accessories, the Anchorage Port and/or the Cycle Stations in the terms indicated in this Contract, will be the commercial value of the Bicycle, of its accessories, of the Anchorage Ports and/or of the Cycle Stations, which will be ruled by the Third Party Designated by the Company in the terms indicated above.

What is stated in this Clause will be applicable, without prejudice to the fact that once the Charge to the Bank Account or the Guarantee Deposit has been executed, the User may exercise each and every one of the administrative actions and jurisdictions that the applicable legislation grants in its favor, against the Company and/or any third party.

Notwithstanding the Extrajudicial Procedure and that the User will have the means of defense established in the applicable legislation, including without limiting the procedure before administrative and judicial authorities, the Company reserves the right to exercise all the rights contained in this derivative document. of the breach of obligations by the User, as well as for the damages caused to the Bicycles, their accessories, the Anchoring Ports and/or the Cycle Stations during the time that these are in legal possession of the User under the terms established in this Clause, said reservation of rights will be for a period of 90

(ninety) calendar days after the date on which the User unsubscribes or terminates the term of their Membership. In this sense, regardless of the Membership contracted by the User, the User accepts and acknowledges the Company's power to charge for the concepts indicated in this instrument and in the terms established therein.

NINTH. ABANDONMENT, THEFT AND LOSS OF BICYCLES. Without prejudice to what is stated in this instrument, in the event that during the legal possession of the Bicycle by the User, it is stolen, misappropriated or lost, the User must follow the following procedure:

(i) The User will be obliged to immediately notify the Company, with the understanding that said notification must be made through the means that the Company informs the User for this purpose.

(ii) The User must follow the requirements that the Company informs him for this purpose, including without limitation:

(a) The Company may request the User to generate a report of the specific event before 911. The report referred to in this subsection must be made no later than 8 (eight) hours after the has given rise to the event referred to in this Clause.

In the event that the User makes the complaint referred to in this section within the period indicated above, the Membership of the User will continue in force according to the Membership contracted.

In the event that the User does not make the complaint referred to in this section within the period described above, the Company will be empowered to suspend the Membership, in the terms indicated in this instrument.

If after 24 (twenty-four) hours from the time the User unanchored the Bicycle from the Anchorage Port, the User anchors it in any available Anchorage Port, the Company will only charge the User the applicable rates. in terms of the Current Rates Table, the foregoing, without prejudice to what is established in this instrument.

On the other hand, if after 24 (twenty-four) hours counted from the time the User unanchored the Bicycle from the Anchorage Port, the Bicycle has not been anchored in any Anchorage Port, without prejudice to the amounts that the Company may charge in terms of this instrument, including without limitation, those established in the Current Fee Table, the User will be obliged to pay the Company the amount of \$8,000.00 (Eight thousand Pesos 00/100).

(b) The Company may request the User to file a complaint with the competent Public Ministry, which must be made within the following 24 (twenty-four) hours from the event referred to in this Clause.

(iii) The User Person will be obliged to inform the Company once the notifications referred to in subparagraph (ii) above have been made, for which the User Person must provide the Company with all the information that it requires you.

TENTH. OF THE FACTS OF TRANSIT. The Parties agree that for the purposes of preventing traffic events and/or other conducts prohibited by the applicable legislation and/or

regulations, the User must comply with the applicable legislation and regulations, including without limitation, those regarding transit, mobility and civic culture applicable in Mexico City.

In the event of an accident or transit event in which the User is involved, the User must follow the following procedure:

(i) You must immediately notify the user service area by telephone and/or through any other means that is published on the Website for this purpose.

(ii) The User must remain at the scene until a representative of the Company or support personnel designated by it and a traffic agent from the Secretariat of Citizen Security arrive. The foregoing is excepted in those cases in which the state of health of the User Person requires immediate medical attention, hospital transfer, or in the event that, derived from the applicable legislation and/or regulations, the mobilization of the User Person is required.

In the event that the User does not remain in the place of the facts, the Company will send a notification regarding the obligations that the User has in terms of this instrument, as well as the follow-up thereof, the foregoing, without prejudice of any action that the Company has in terms of this instrument.

(iii) During the period indicated above, the User will be obliged to safeguard their physical integrity, that of the Bicycle and its accessories, until the aforementioned personnel arrive.

The User will be prevented from making any type of agreement, arrangement and/or negotiation with the third parties involved in the corresponding traffic event, the foregoing, without prior authorization by the Company and/or the personnel designated by it.

The transit events that are reported must be verified jointly between the Company and SEMOVI, through the procedures for demarcation of responsibilities and within the terms indicated for such purposes.

The Parties agree that in the event that the fact of transit has been caused by defects in the Bicycle and/or by its inadequate maintenance, all the expenses inherent to it will be covered through the insurance policies that the Company has in force, and through the procedures and deadlines indicated to the User. Notwithstanding the foregoing, the Company will not be responsible and will not be obliged to indemnify those damages and/or events that are not caused by defects in the Bicycles and/or by their inadequate maintenance, in this sense, in such cases, the Person The User will be responsible for any damage that is committed due to their lack of expertise in handling the Bicycle and/or as a consequence of their breaches of the terms of this Contract.

In the event that the User does not comply with any of the aforementioned procedures, the Company will be empowered to limit the payment of compensation or declare the payment inadmissible, unless the delay, absence of report or failure to comply with the procedures is due to a Fortuitous event or force majeure.

The User accepts that the valuation of the damages caused by the facts referred to in this Clause, will be carried out by personnel from the corresponding insurance agency or the

competent authority for it, in accordance with the elements and procedures that are established for this purpose.

ELEVENTH. OF THE RIGHTS AND OBLIGATIONS OF THE PARTIES. A. Notwithstanding the obligations that the Parties assume in terms of this instrument, they will be obligations of:

I. The User, and where appropriate, the Minor:

(i) Drive and use the Bicycle at all times respecting the applicable legislation and regulations, including without limitation, those of mobility, transit, civic culture and other related matters, as well as compliance with the provisions of this Contract.

(ii) Prior to the use of the Bicycle, you must verify the physical-mechanical condition of the Bicycle, its accessories, the Anchorage Port and the Cycle Station in the terms established in the Third Clause (Of the Use of Bicycles) of the present Contract.

In the event that the User finds any damage during its use, he must suspend it and report the damage to the Company at that moment, having to anchor the Bicycle to an Anchorage Port in a Cycle Station and press the repair button (that is, , the part located in the Cycle Stations that is activated when pressed), otherwise, the provisions of the Third Clause (On the Use of Bicycles) of this Contract will apply, that is, it will be understood that the User receives without damage and in optimal operating conditions, so that any damage outside the normal use of the Bicycle, its accessories, the Anchorage Port and the Cycle Stations, will be the responsibility of the User in the terms indicated in this document.

For any report of damage, physical - mechanical or electrical, complaints, claims or nonconformities, the User must report them through the Website, the Ecobici App, in person at the User Service Centers (CAPU), or at through any other means informed by the Company, with the understanding that it must inform it immediately to indicate what is appropriate to its right.

(iii) Safeguard at all times the Bicycle, its accessories, the Anchorage Ports and the Cycle Stations, likewise, the User will be obliged to verify that the Bicycle is not parked outside the Anchorage Ports destined for its return, in the understanding For the purposes of this instrument, "Anchor Ports" shall be understood as the exclusive space for the anchoring of Bicycles within the Cycle Stations.

(iv) In the event of any mechanical or electrical damage to the Bicycle, its accessories, the Anchorage Port, the Cycle Stations or the loss of any of its parts, the User must immediately notify the Company of this fact, subsisting in any case the responsibilities in their charge in the event that the damage has been caused by an act that occurred during the time that the User had physical and/or legal possession of the Bicycle, such as blows, overloads, abnormal uses, etc.

(v) Pay in due time and form the amount of the fines and/or sanctions that, if applicable, were imposed for violation of the applicable legislation and regulations, as well as the provisions of this Contract, in the understanding that the Company will be empowered to collect these last amounts, at the same time or after the amounts corresponding to the payments provided for in this instrument must be covered.

(vi) When returning the Bicycle to the Cycle Station, the User must ensure that the anchoring in the available Anchorage Port of the Cycle Station was successful, that is, to secure the Bicycle in the available Anchorage Port of the Cycle Station, the User must align the front triangle of the Bicycle in the available Anchorage Port and push, with the understanding that a sound signal will be emitted and the indicator light will turn green, indicating that the Bicycle has been correctly secured to the Anchorage Port, that is, that the anchorage was correct and successful.

If, otherwise, the Bicycle is not properly secured to the Anchorage Port, the light indicator will turn red and a longer sound signal will be emitted, that is, the anchoring was incorrect and unsuccessful, and it will be understood that the User Person continues in possession and/or use of the Bicycle. In the event that the anchoring is incorrect or unsuccessful, the User must repeat the process indicated in the previous paragraph until the green light comes on and the Bicycle is duly secured in the Anchorage Port. If, after several attempts, the indicator light does not change to green, the User must return the Bicycle to another available Anchorage Port, with the understanding that at any time, the User will be empowered to contact the User Service Center (CAPU) of Users to receive advice, being able to also corroborate the status of the trip through the Ecobici App.

The User accepts and acknowledges that the charges generated by additional time of use and theft of the Bicycle in the event of making the return incorrectly, will be the responsibility of the User under the terms established in this document.

II. The company:

(i) Grant the use of the Bicycle to the User in the optimal conditions for its use, in the terms indicated in this instrument.

(ii) Provide the Services object of this instrument under the terms indicated in this Contract.

(iii) Give attention to the User through the means expressly indicated throughout this document.
